Bringing the world to the classroom

At National Geographic Learning, we believe education is one of the great transformative forces of this century. Our mission is to bring the world to the classroom and the classroom to life, and for students and their teachers to experience the excitement and joy of learning through our materials. With our English language programs, students learn about their world by experiencing it. Through our partnerships with National Geographic and TED, students develop the language and skills they need to be successful global citizens and leaders.

...and the classroom to life

National Geographic Learning now helps you to bring the power of ideas into your classroom with our learning programs with TED Talks.

Within carefully developed curricula that include real-world stories, video, and photographs from National Geographic, the inspiring ideas introduced in our learning programs with TED Talks motivate learners to express themselves thoughtfully and confidently in English.

Our learning programs provide:

- Carefully selected TED Talks that focus on ideas that learners of English want to talk about.
- Scaffolded language lessons that help learners understand and talk about ideas in English.
- Fully supported programs that make it easy to use TED Talks in any English language classroom.

Engage with Us

National Geographic Learning hosts dynamic and thought-provoking learning events throughout the country.

Join the Conversation

The National Geographic Learning team works with schools around the US and Canada to host and co-host thought-provoking events. Featuring world-class authors, National Geographic Explorers, and people who have spoken on the TED stage, we engage and inspire hundreds of teachers and administrators every year.

“This meeting was the opportunity to step away from the every day, give yourself the space to challenge how you approach your role in international education and learn from experts and peers about how we can all work towards preparing our students for a global society.”

HAVIVA PARNES
EC ENGLISH

“I really enjoyed this event. It was my first time, and all of the speakers were dynamic and clear experts in their field. I had some moments of personal reflection on my commitment to education and also to my commitment to global citizenship. This was an incredible opportunity to connect with those passionate about adult education and language learning.”

ADULT EDUCATION

Our Adult Ed programs are standards-based integrated language programs that prepare adults for professional and academic success as they gain confidence in their new language. Our programs help students meet goals set forth in the Workplace Innovation and Opportunity Act (WIOA) and align with national state standards and objectives including CCRS, ELPS and EL Civics.

English in Action 1-4

Third Edition

Barbara H. Foley, Elizabeth R. Neblett
 low-beginning to high-intermediate | CEFR: A1-B2 | CLB: 2 - 7

Adult learners are engaged and learn better when they can put *English in Action!*

English in Action is a proven, four-level, standards-based integrated language learning program that prepares adults for work and academic success. The third edition of *English in Action* features authentic and high-interest content from National Geographic while retaining the approachable methodology and strong grammar syllabus that have been hallmarks of its success.

- NEW clearly identified **Academic, At work, and Civics content** meets the goals set forth in the Workforce Innovation and Opportunity Act (WIOA) as well as national and state standards and objectives including College and Career Readiness (CCRS), English Language Proficiency Standards (ELPS), and EL Civics.
- NEW video featuring **National Geographic** footage connects adult learners to topics that affect their communities and their world.
- **NEW and UPDATED readings** help learners to think critically as they learn new vocabulary and structures presented within the theme of each unit.
- **UPDATED grammar charts** are concise and clear to ensure adult learners have an understanding of the basic structures of English as they become confident in their new language.

Meet WIOA goals with our adult education programs

The **Workforce Innovation and Opportunity Act (WIOA)** expands the focus of English language acquisition programs. In addition to helping English language learners achieve competence in reading, writing, speaking, and comprehension of the English language, programs must also help learners attain a secondary school diploma, transition to post-secondary programs, or integrate them into the workplace. ESL programs receiving funding through **WIOA** place a stronger emphasis on career and work preparation.

Learners improve language proficiency and increase their employability skills with our materials.

TO BECOME WORKFORCE READY, ADULT LEARNERS NEED:

Connect with the world and bring your classroom to *Life*

Now in a new edition, National Geographic Learning brings the world to your classroom with *Life*, a six-level integrated-skills series with grammar and vocabulary for young adult and adult English language learners.

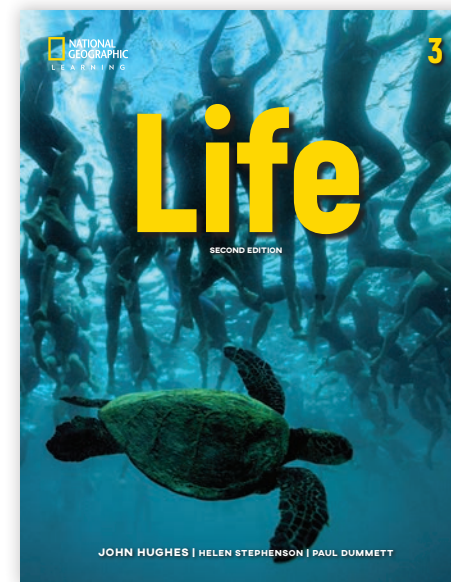

Through stunning National Geographic content and engaging topics, *Life* inspires a generation of informed decision-makers. With *Life*, learners develop their ability to think critically and communicate effectively in their academic, professional, and social lives.

- An extended **critical thinking** syllabus now includes all six levels and encourages learners to develop and share well-informed opinions.
- New **My Life** sections help learners explore the connections between the content and their own lives.
- Updated **National Geographic** content, photography, and video engages learners by connecting them to people and places from around the world.
- New **Life Student Web App** features video and audio for the Student Book and Workbook lessons, as well as interactive activities.
- **Free resource site** contains free teaching and learning materials for teachers and students.

Using TED Talks to develop 21st century skills

21st Century Communication is a four-level series that uses powerful ideas from TED Talks to teach learners to think critically and communicate effectively. Through authentic models of effective communication, students build fluency in the listening and speaking skills needed to achieve academic and personal success.

- **TED Talks** are used to develop essential **21st century skills**, including critical thinking, collaboration, and visual literacy.
- **Speaking, pronunciation, and presentation skills**, inspired by **TED speakers**, prepare learners to deliver successful presentations of their own.
- Extended listening based on real-world situations and TED Talks provide **listening and note-taking practice**.
- Online Workbooks include the entire audio and video program, and automatically graded language practice activities.
- **Part 1 in every unit provides a variety of listening inputs** including lectures, interviews, podcasts, and classroom discussions.
- **Real-world infographics** engage students more deeply with the unit theme and promote visual literacy.
- **Put It Together** sections help students connect ideas, synthesize information, and consolidate learning.

Weaving It Together

1-4, Fourth Edition

Milada Broukal

beginning to high-intermediate | CEFR: A1/A2 - B2 | CLB: 2 - 7

Connect high-interest readings with effective writing skills

Weaving It Together helps learners build reading and writing skills through relevant readings and carefully structured writing exercises. By balancing these two necessary competencies, learners seamlessly develop both language and academic skills.

- New and updated readings, featuring National Geographic Explorers, motivate students to apply essential reading skills.
- Writing skills are introduced and practiced following every reading, guiding students through the writing process.
- **Discussion** and **Critical Thinking** sections challenge students to increase comprehension while analyzing the reading passages.
- **Reading from Literature** sections in every level expose students to an important reading genre.
- **Contextualized vocabulary** practice helps students build academic vocabulary.
- **Weaving It Together** sections include timed writing prompts and critical thinking questions, further connecting the unit theme to reading and writing skills.

Great Writing

Foundations-5, Fifth Edition

Keith S. Folse, April Muchmore-Vokoun, Elena Vestri, David Clabeaux, Tison Pugh
beginning to advanced | CEFR: A1 - C1 | CLB: 2 - 10

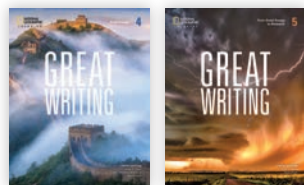

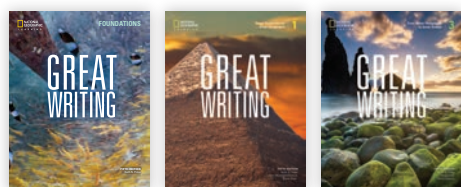

Great Writing makes Great Writers

The new edition of *Great Writing* provides clear explanations, extensive models of academic writing, and practice to help learners write great sentences, paragraphs, and essays. With expanded vocabulary instruction, sentence-level practice, and **National Geographic** content to spark ideas, students have the tools they need to become confident writers.

Updated in this edition:

Clearly organized units offer the practice students need to become effective independent writers. Each unit includes:

- **Part 1: Elements of Great Writing** teaches the fundamentals of organized writing, accurate grammar, and precise mechanics.
- **Part 2: Building Better Vocabulary** provides practice with carefully-selected, level-appropriate academic words.
- **Part 3: Building Better Sentences** helps writers develop longer and more complex sentences.
- **Part 4: Writing** activities allow students to apply what they have learned by guiding them through writing, editing, and revising.
- **Part 5: New Test Prep** section gives a test-taking tip and timed task to prepare for high-stakes standardized tests, including IELTS and TOEFL®.

The original contextualized approach brings grammar to life

Grammar in Context brings grammar to life through engaging, contextualized readings relevant to learners' lives. National Geographic photography and stories deliver real-world content to improve grammar awareness and retention. Students learn more, remember more, and use language more effectively when they learn grammar in context.

Grammar in Context, Seventh Edition features:

- **New and updated** readings present target-grammar in context and prepare students for practice and personalization.
- **New Grammar in Use** sections highlight a practical grammar point to help students communicate confidently.
- **New** listening activities reinforce the grammar through natural spoken English.
- **From Grammar to Writing** gives editing advice and provides **New Writing Tips** to connect the grammar to the unit writing task.

Grammar Explorer 1-3

Daphne Mackey, Paul Carne, Amy Cooper, Samuela Eckstut-Didier

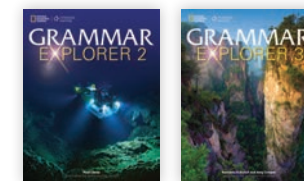

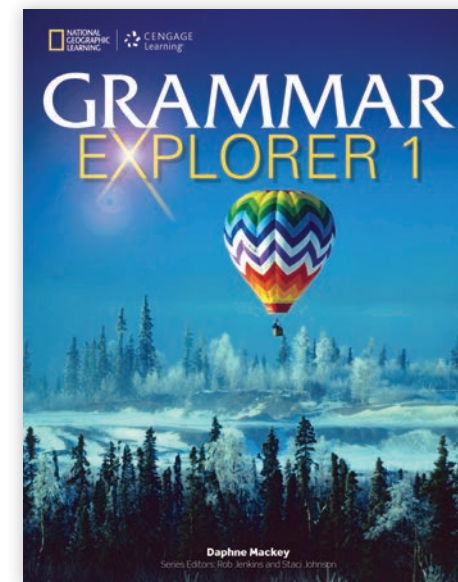

SERIES EDITORS: Rob Jenkins, Staci Johnson

high-beginning to low-advanced | CEFR: A2 - C1 | CLB: 3 - 10

Grammar for the Real World

Grammar Explorer is a three-level grammar series that prepares students for academic success through captivating National Geographic content and challenges students to think critically while using grammar in their listening, speaking, reading, and writing.

- With *Grammar Explorer's* Systematic ELPA Approach (Explore, Learn, Practice, Apply), students:
 - **Explore** the grammar through captivating articles and build their knowledge in a variety of academic disciplines.
 - **Learn** with clear grammar charts and explanations followed by controlled practice of the grammar forms.
 - **Practice** the grammar in communicative activities that activate all four skills.
 - **Apply** their new language in meaningful and communicative tasks.
- **Connect the Grammar to Writing** sections develop students' writing skills and prepare students for academic paragraph and essay writing.
- Units are organized into manageable lessons, which ensures students master the grammar.

The Complete Guide to the TOEFL® Test iBT Edition

Bruce Rogers
intermediate to advanced

The total package for test-taking success!

The instruction and practice in *The Complete Guide to the TOEFL® iBT* closely mirrors the actual test, helping students to master the skills necessary to achieve the best possible score on the TOEFL® iBT test and prepare them for success in an academic setting.

The text provides **test-taking strategies** at the beginning of each section, extensive practice covering all exercise types, a separate section on essay writing, exercises that address the most common errors made on the test, and **two full practice tests**.

- Practice for the Speaking section of the TOEFL® test provides oral prompts as well as actual examples of test-takers completing this part of the exam.
- An Interactive CD-ROM provides electronic practice through a tutorial, practice with all exercise types found on the TOEFL® iBT, a test bank of TOEFL®-type questions, and two complete TOEFL® tests.
- The Audio Program provides listening activities for practice on the listening portion of the TOEFL® iBT.

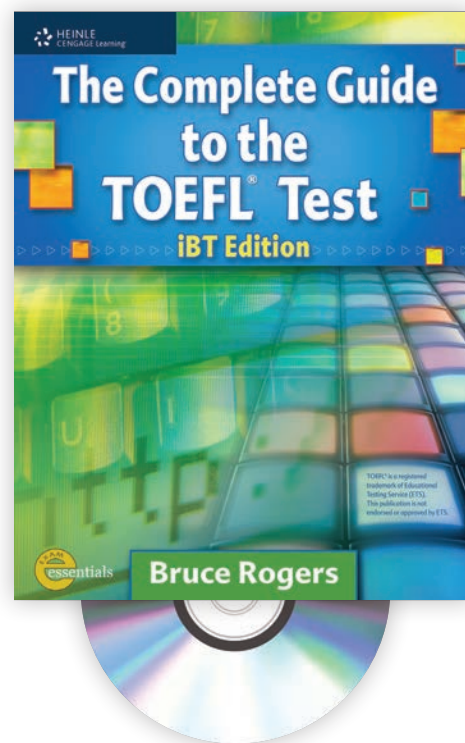

Online Tutorial for the TOEFL® iBT

Bruce Rogers
intermediate to advanced

Prepare for the TOEFL® iBT - online!

Online Tutorial for the TOEFL® iBT combines innovative technology with a unique learning pedagogy to prepare students for TOEFL® exam success.

- An electronic diagnostic test assesses each student and creates a customized learning path.
- The tutorial includes more than 10 hours of study for all four parts of the TOEFL® exam—reading, listening, speaking, and writing.
- Speaking practice identifies errors in pronunciation, fluency, word stress, and linkage, providing immediate feedback.
- Students identify areas needing improvement through self-assessment activities in each section.
- Two practice tests that simulate versions of the TOEFL® exam follow the preparation for each section of the exam.

PROFESSIONAL DEVELOPMENT

The Grammar Book Form, Meaning, and Use for English Language Teachers Third Edition

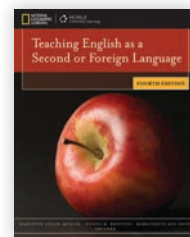

Marianne Celce-Murcia, Diane Larsen-Freeman

The Grammar Book introduces teachers and future teachers to English grammatical constructions. This highly acclaimed text is suitable for all teachers of English. Its unique pedagogical focus describes the formation, meaning, and use of every grammatical structure. Grammar is seen to be a resource for making meaning in textually and socially appropriate ways.

The third edition retains and updates its unique features:

- Treatment of the form, meaning, and use of grammatical constructions.
- Contrastive information that alerts teachers to possible cross-linguistic influence.
- Applications in the form of teaching suggestions, exercises, and further readings.

Critical Thinking in ELT A Working Model for the Classroom

John Hughes; Paul Dummett

Through accessible examples from their own experiences in the classroom, Paul Dummett and John Hughes provide English language teachers with practical ways to incorporate critical thinking into every class. Dummett and Hughes define critical thinking for English language teaching and demonstrate how challenging young adult and adult learners at all levels to think both critically and creatively develops learner autonomy, increases learner motivation, and promotes authentic communication.
